

## **NERDC creates the first new licensee for the year 2021: To Construct Industrial Biogas Digesters**

Biogas is one of the ideal solutions for replacing non-renewable energy sources by contributing sustainable energy and organic fertilizer. NERDC issued the license for manufacturing of industrial bio-gas digesters to Biotech Constructions of Kotikawatta. The agreement was signed by the Director General of NERDC, Eng. D.D. Ananda Namal and Managing Director of Biotech Constructions, Mr. K.M.C.W.B. Wickramathilake, on 1<sup>st</sup> Feb 2021. The Deputy Director General (Services), CEng. A.A.S.P. Jayasinghe awarded the license & the certificate to Mr. Wickramathilake on 1<sup>st</sup> Feb 2021 in the board room of the NERDC. Head of Department of Techno Marketing Department and the staff members also present at the occasion.
